**Cuvée Extra Brut Blanc
de Blancs in barrels**

Premier Cru

100% Chardonnay

Dosage: 5.6 grammes of
sugar/bottle

Pale gold color with green highlights and a fine effervescence. This Blanc de Blancs (White from Whites) is fine and rich with floral flavors.

A tannic and straight wine on the palate. It reveals a strong presence both in its complexity and vivacity related to a low dosage.

It can be enjoyed at the beginning of meals.
