à ÉCUEIL

Crépuscule Blanc de Blancs Barrique

Premier Cru

100% Chardonnay

Dosage : 5,6 grams of sugar/bottle

On a pale gold approach with green reflections and a discreet mousse.

This Blanc de Blancs is fine and rich with a floral ensemble.

Straight and tannic in the mouth, it reveals a strong presence, both in its complexity and its liveliness linked to the low dosage.

It is a Champagne at the start of a meal.
